# Hello There

So you've made it. Congrats!

We are The TEDY Project. Nice to meet you.

This Whitepaper will show you who we are, TEDY NFT collection and \$TEDY token, our dreams and plans for the future.

# What is The TEDY Project

Collection of 9,999 NFTs.

Goal is to become world's leading web three brand.

First 999 unique starter NFTs will be minted as part of the "Launch" TEDY NFT collection and airdropped to thought leaders and influencers in the crypto, NFT and social media space and will be the "Special" series.

Second NFT collection will be for the community. 7,999 NFTs that you will be able to mint on our website. Rest of the NFT's will be kept for the team.

99 NFTs will have an "Inner Circle" tag (will be selected randomly). Holders of these NFTs will have access to a private Discord channel with the The TEDY Project management team and the Special TEDY NFT holders.

# NFT

NFT collection will be for community 9,999 NFTs. You will be able to mint it on our website.

- 75% Nft will be Public mint on our web site
- 10% Nft will be given community and vip
- 8% Nft will be given team
- 7% Nft will be used for marketing

# NFT Start

999 unique starter nft collections we will distribute in first buy to leaders and influencers in the crypto, NFT and social media space and will be the "Special" series. (Whitelist who will fill the Google form).

We will choose from TOP NFT Twitter, Instagram and Facebook bloggers, YouTube vloggers, TOP rated NFT enthusiasts and creators (different platforms are available), etc.

More details in our discord channel and on Twitter.

# Gaming Ted

Starting Jan 5 2023 we are planning to begin the development of our own Game. Inspired by a Riot Games Playbook our goal is to create a space, where our community will be able to get together, chat, walk, take missions and quizzes, buying or earning more \$TEDY and NFTs. It will be a tough challenge. But with Your help I know we'll make it happen.

See you soon,  
**TEDY**
